Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Friday 23 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Some developing sunshine on Saturday, feeling less hot.

This Evening and Tonight:
Low cloud, hill and coastal fog will drift back inland overnight, becoming widespread by the morning. Otherwise, dry with some clear spells in the west. Another warm night for many. Minimum temperature 15 deg C (59 deg F).

Saturday:
Early low cloud burning back to the coast, leaving a fine morning, with warm sunny spells. Rain, perhaps heavy, expected in the south of the region early afternoon. Feeling humid. Maximum temperature 22 deg C (72 deg F).

Outlook for Sunday to Tuesday:
Low cloud will continue to affect North Sea coasts on Sunday and Monday, otherwise fine and sunny with the odd shower. Cloudier, unsettled on Tuesday, with heavy thundery showers. Cooler.
